Sanitized® Actifresh

PROTECTION FROM THE INSIDE, OUT
These gloves are treated with Sanitized hygiene function to inhibit bacteria, therefore minimizing odor development and promoting freshness. Active biocidal substance – Zinc Pyrithione (ZPT)

REACH COMPLIANT

REACH is a regulation of the European Union, adopted to improve the protection of human health and the environment from the risks that can be posed by chemicals. It also promotes alternative methods for the hazard assessment of substances in order to reduce the number of tests on animals.

All safety equipment should be selected in conjunction with an approved safety program that assesses your specific hazards. The selection and use of specific products sold by Majestic is exclusively within the control of, and remains the sole responsibility of the customer. Many variables beyond the control of Majestic affect the results obtained in applying these products. Inappropriate selection and/or use of safety products may cause serious injury.

Reliability in Safety.
